

COMPANY PROFILE

FROM CEO & DIRECTOR DESK

We have Incorporated Our Company 2 years ago when we had the mission for “Committed to Excellence”

We knew that with every Project we Complete, we would be building a name. With every new project we would be building something that we hold very dear to ourselves: Our reputation. And to build that, we knew we would have to build with values. This is why with many Site Completed over 2 years we have had but one blueprint, one mantra for success. Build not with bricks, mortar, steel or glass but with values that add worth. Build with uncompromising quality that keeps the worth of your investment high as time goes by. Keep promises and deliver on time.

It's why we have endeavoured to bring you not just the highest standards but new benchmarks..

ABOUT US

We are known as a reliable service provider for Housekeeping Services, Security Services, IT Professionals for BPO, Manpower for Export-Import business houses and undertake Construction work too. Our services are implemented by trained staffs that make use of a state-of-the-art process, Equipments & Eco friendly products.

Our consultants at our organisation are aware that every client's situation is unique. We will therefore work closely to meet your specific requirements. Our role is to work closely with our clients and candidates, in complete confidentiality, enabling us to provide the best possible options.

VISION & MISSION

Vision

To be the India's leading service provider of integrated strategic services and innovative technology solutions.

Mission

We efficiently and effectively integrates a wide range of resources and core competencies to provide unique and timely solutions that exceed our customers stated need and expectations. Guided by integrity, innovation, and a desire for best professionals leverage state-of-the-art training facilities, coupled with professional operation teams, and innovative serving capabilities to deliver world- class customer driven solutions.

COMPANY CORE VALUES

Integrity:

We are committed to the highest standards of ethical and professional behaviour and endeavour to instil universally recognized and accepted core values of proper conduct in all our employees.

Teamwork:

We operate as a coordinated body of collective wisdom and experience. Everyday our employees strive to discover and implement cohesive solutions to challenges by using the best minds we can assemble.

Innovation:

We value, encourage and empower our independent contractors and employees to dream, to innovate and challenge conventional wisdom. We strive to raise expectations and break through barriers others deem impossible to breach.

Respect:

We honour the rights and beliefs of our fellow associates, our customers, our employees and our community. We treat others with the highest degree of dignity, equal opportunity and trust. We respect the cultures and beliefs of people around the world.

Accountability:

We act ethically and legally as we work to meet our contractual commitments. We take responsibility for our behaviour and our performance. We are accountable everyday. We support quality assurance and personal discipline in all our endeavours.

Excellence:

We meet or exceed all professional and contractual expectations and obligations. We strive to deliver superior quality products and services on time and under budget. Our employees are dedicated, loyal and honourable.

Efficiency:

We create value with limited resources everyday. Our employees create exceptional products and services in response to specific customer needs. We operate a streamlined organization that prides itself on solving issues in a lean, economical manner. We deliver great value for a great price.

MANPOWER PROVIDER FOR

SECURITY GUARD

Today's threats to companies are increasingly complex and intense at a time when business operations are becoming more interrelated and global. Investment in security can help significantly reduce a company's vulnerability to many factors that threaten performance Security Guarding Services. It is a fact of business life that every company's major assets are constantly under threat. Manned securities probably the only true effective forms of reducing vandalism, theft and criminal damage to property and threats to staff. This is why we aim to provide an effective Guarding Solution to eliminate these well-known threats. We pride ourselves as being a rapidly growing organization in the provision of manned security, offering a comprehensive spectrum of security services from a one man-guarding contract to a multi-manned security team.

HOUSEKEEPING SERVICES

Housekeeping refers to the management of duties and chores involved in the running of a household, such as cleaning, cooking, home maintenance, shopping, laundry and bill pay. These tasks may be performed by any of the household members, or by other persons hired to perform these tasks. The term is also used to refer to the money allocated for such use. By extension, an office or organization, as well as the maintenance of computer storage systems. A housekeeper is a person employed to manage a household, and the domestic staff. According to the Victorian Era Mrs Beeton's Book of Household Management, the housekeeper is second in command in the house and "except in large establishments, where there is a house steward, the housekeeper must consider his/herself as the immediate representative of his/her mistress"
